My mom is Amber, my dad is Joe and my little sister is Ellen.

My hobbies include swimming, dancing, playing Barbies and doctor. I like riding horses and skiing with Eagle Mount.

I love to watch videos of all my favorite movies, swim, play with my sister Ellen and eat pizza on Friday nights!

Since last year's Buddy Walk, I learned to swim independently without floaties and wear my glasses everyday!

My family is most proud of me for my patience, drive and determination that I show towards my many goals.
