

Emmett 3 1/2 years old

My parents are Joe & Christina. My sister is Charlotte.

My hobbies include coloring, swimming, swinging.

I love to listen to music and dance, play in water, play with my dog, make my sister laugh, snuggle with mom and rough house with dad.

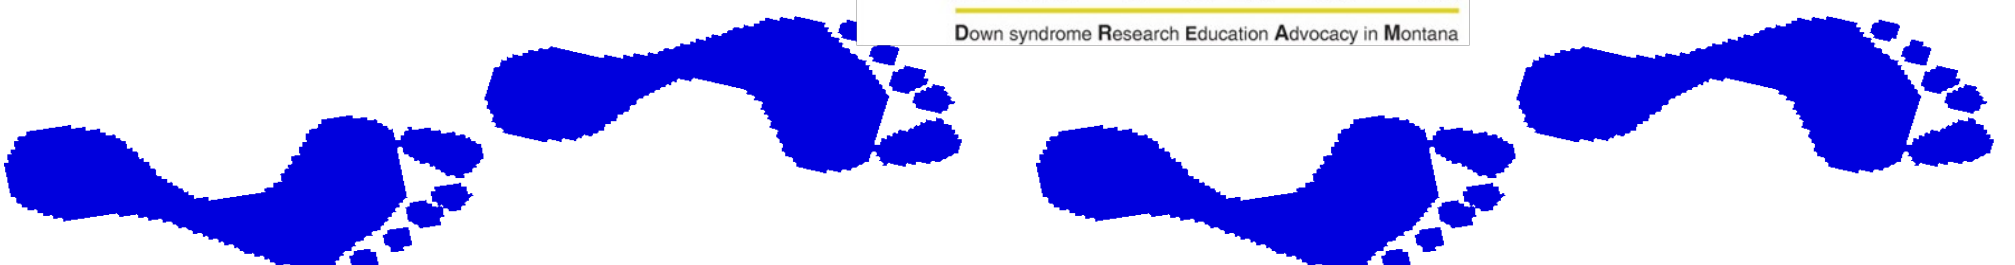

Since last year, I've learned to walk!

I've also learned more signs and more verbal words.

My family is most proud of me for achieving each goal that is set for me, even though sometimes its hard and I'm stubborn I still work hard and crush any hurdle put in front of me.

They love that I always want to make others laugh.

But most of all they love my wild, passionate, spicy personality!
