

# Kollin (almost) 2 years old

Kollin turns two on October 2nd. He has his Golden Birthday this year, and boy, is he shining! We couldn't be prouder of how tough and resilient our little warrior has been with everything medically he has gone through! Now shifting from survive mode to thrive mode, Kollin is soaring!

His favorite is playing ball and cars with his big brothers, Linus and Dexter. He's so close to standing up by himself, and is one of the fastest crawlers we've seen!
